Coming from Detroit Metro Airport

Leave Detroit Metro Airport going north on Service Drive which turns into Merriman Rd. Take I-94 west ramp toward Chicago to I-275 north.

I-275 North becomes I-275/1-96. Continue north to I-96 West ramp towards Lansing. Follow I-96 west to the New Hudson/South Lyon exit. Take Milford Rd. south to Grand River. Make a left onto Grand River and follow that until you see William K Smith Dr.

Turn left onto William K Smith Dr. and follow that until you see the Pratt & Miller building on the right.

Pratt & Miller Engineering is located just off Grand River on William K Smith Dr. between Milford Rd and Wixom Rd.
